Annual Statement/Budget Revisions

Once an Annual Statement/Budget is submitted a PHA may make revisions.

Most changes do not require revisions to the 5-Year Action Plan. The exception is any change that would require approval from HUD such as a change to the BLI.

Changes that require revising the 5-Year Action Plan:

- Changing the Work Category (BLI) with an activity.
- Changing the development number with a work activity
- Adding work activities not in an approved 5-Year Action Plan

Error

There are errors with the form that are preventing to continue to next step. Please review the errors below and correct them before continuing.

- BLI 1503 – The total of all work activities assigned to RAD (BLI 1503) does not match the BLI 1503 amount in LOCCS. In EPIC budget submissions, PHAs must exactly match the spread of funds to the RAD BLIs in LOCCS. The amount in EPIC is \$35,000.00 and the amount in LOCCS is \$30,160.00.
- BLI 1504 – The total of all work activities assigned to RAD Investment Activity (BLI 1504) does not match the BLI 1504 amount in LOCCS. In EPIC budget submissions, PHAs must exactly match the spread of funds to the RAD BLIs in LOCCS. The amount in EPIC is \$50,000.00 and the amount in LOCCS is N/A.
- The award amount for this grant in EPIC does not match the award amount in LOCCS. This discrepancy may have been caused by an adjustment to the award amount in LOCCS; there may be a time delay before EPIC reflects the new award amount in LOCCS. If the discrepancy persists, please email EPICHelp@hud.gov. The award amount in EPIC is \$1,904,544.00 and the award amount in LOCCS is \$1,904,548.00.

- Add the grant amount to the correct year running estimates in the 5YAP by Editing the Plan Information.
- To report activities for such a grant, first create new work activities and add the activities to the applicable 5YAP (Revision).
 - For example, if the grant was awarded with 2020 funds, the activities should be added to the Rolling 5YAP plan that begins with 2020 or the Fixed 5YAP that includes 2020.
- Once those activities are approved by the Field Office, the PHA will then create a new Budget for this new Award/Grant.
