Purchase Orders
KCDC requires purchase orders be in place before a supplier delivers goods or renders services. The purchase order number must show on the invoice. The invoice date is to be after the date the goods are delivered or services rendered and the date of the purchase order.
Vendor Registration
KCDC utilizes a third-party source, Vendor Registry, for supplier registration. The Vendor Registry system allows KCDC staff access to contact information for each supplier and therefore, all awarded suppliers must register in this system. Vendor Registry can also be a valuable resource for suppliers as it allows suppliers to learn of potential bidding opportunities immediately after KCDC posts solicitations. If you have not yet done so, please complete your registration.
Invoicing
KCDC wants invoices emailed to apadmin@kcdc.org . Do not mail invoices through the USPS. Invoices are to reflect the agreed to price and must show the correct purchase order number.
